Admission to Teacher Education

A student must be admitted to the Teacher Education Program before enrolling in many EDEE, EDRE, EDBE and 4000 level EDSP courses. To be admitted a student must:

- be a junior;
- pass the THEA with scores of 240 reading, 230 math, and 220 writing;
- have a 2.75 overall GPA or a 2.75 GPA in the completed core; and
- have a degree plan completed or in process in the Student Advising Office.

Continuation in the Teacher Education Program is not guaranteed by the admission process.

Professional Development School (PDS)

Students will participate in a Professional Development School during the final two long semesters of their degree/certification program which requires they be available during normal public school hours. Students must meet all pre-requisites to participate in the PDS and participate in public school field placements. UNT and certain participating school districts may require a criminal history check prior to field experience.

Recommendation for Teacher Certificate

To be recommended for certification, the student must have

- been Admitted to Teacher Education;
- successfully completed all required academic courses;
- successfully completed all required professional field experiences;
- maintained GPA requirements as stated on his/her plan; and
- passed the required TExES exams.

UNT will share your information with the State Board for Educator Certification (SBEC) upon admission to teacher education. All communication from the Student Advising Office and SBEC will be through your Eaglemail account. Certification is completed by application to the State Board for Educator Certification (SBEC) at www.sbec.state.tx.us. Although the College of Education at the University of North Texas (UNT) recommends the student to the SBEC, the final authority to confer the teacher certificate remains with the SBEC. SBEC policy requires that each applicant pass a criminal history check by SBEC before certification is issued.
