**Important Information About your Degree**

- **UNT Core Best Selection:** There are many courses which satisfy core requirements. Students who do not take the courses in the Best Selection columns will have to take additional courses to meet program requirements.

- **Double-Dip Course:** Courses shown in italicics satisfy multiple degree program requirements. If these classes are not taken to fulfill the UNT Core Best Selection, they must be completed to meet other degree program requirements.

- **“C” or Better:** Core Communication I and II courses must be completed with a grade of C or better in order to graduate.

---

1 UNT Core Best Selection: There are many courses which satisfy core requirements. Students who do not take the Best Selection courses will have to take additional courses to meet program requirements. Whether or not the course is taken to fulfill a specific university core category, all courses are required by the program to complete the degree.

- Electives may be required due to double dipping. Double dip courses are **ITALICIZED**.
- Courses in **BOLD** require pre-requisites. Pre-requisites are listed in the university catalog with the course description.
- An official degree audit is required for graduation. Students **must** meet with an academic advisor to request a degree audit.
- Degree requires at least 120 hours, 2.00 UNT and Overall GPAs for graduation.
- For career information contact the Department of Kinesiology, Health Promotion, and Recreation in PEB 209, (940) 565-2651.
- For additional career information contact Career Center at CHNT 103, 940-565-2105.
- For additional program information visit [www.coe.unt.edu/sao](http://www.coe.unt.edu/sao), or contact the Student Advising Office at (940)565-2736.
**BACHELOR OF SCIENCE IN PUBLIC HEALTH**

### Population Studies Track Requirements (12 Hours)

- ANTH 4200 Health/Healing/culture: Medical Anthropology
- PSYC 2580 Health Psychology
- SOCI 3120 Sociology of Health/illness
- SOCI 4750 World Population Trends/Problems

### Biological Sciences Track Requirements (12 Hours)

- BIL 1710 Biology for Science Majors I
- BIL 1720 Biology for Science Majors II
- BIL 1760 Biology for Science Majors Lab

### Elective Concentration (18 Hours)

- **Emergency and Disaster Management**
  - EADP 3010 Introduction to Emergency Management
  - EADP 3035 Hazard Mitigation and Preparedness
  - EADP 3045 Disaster Response and Recovery
  - EADP 4010 Public Health and Disasters
  - EADP 4050 Special Populations and Disasters
  - EADP 4090 Terrorism and Emergency Management
  - Or other courses approved by the faculty advisor
