Check one post baccalaureate or alternative teacher certification program to which you are applying:

☐ Art, EC-12
☐ Music, EC-12
☐ PE, EC-12

Admission to Teacher Education
A post baccalaureate student must be admitted to the Teacher Education Program prior to the first semester of enrollment. To be admitted, a student must complete this form and pay the fee and

- pass the GRE, SAT, ACT, or Praxis Core Exams with the appropriate scores.
- be admitted to the Toulouse School of Graduate Studies as a Certification Only or Master’s degree student;

Continuation in the Teacher Education Program is not guaranteed by the admission process. Students who withdraw or are discontinued from the Teacher Education program will not be eligible to take certification exams or be recommended for certification through UNT.

Field Experiences
Students will participate in supervised practicum, internship or student teaching (in certain cases the student may teach two years under contract at the level and in the subject of the target certificate.) UNT and certain participating school districts may require a criminal history check prior to field experience.

Recommendation for Teacher Certification
To be recommended for certification, the student must have paid all applicable fees and have

- been Admitted to Teacher Education;
- successfully completed all required academic courses on certification plan;
- successfully completed all required professional field experiences;
- maintained GPA requirements as stated on his/her degree or certification plan;
- passed the required TExES exams.

After meeting all certification requirements, apply for your certificate at the Texas Education Agency (TEA) website, tea.texas.gov. Although the College of Education at UNT recommends you for Teacher Certification to the TEA, the final authority to confer teacher certificates remains with the State Board for Educator Certification (SBEC). Applicants must pass a criminal history check conducted by SBEC before certificates are issued.
