Executive On-Line

Master of Education in Special Education

Concentration in Autism Intervention

This one-year online program is accredited by the Council for the Accreditation of Educator Preparation (CAEP) and is designed to prepare personnel in evidence-based practices to work with individuals diagnosed with autism spectrum disorder (ASD) in various capacities. Personnel may resume roles as classroom teachers*, autism specialists in public school settings or other related professions (e.g., social work, healthcare, mental health and rehabilitation), coordinator/case managers of home-based family services, life skills coach or professional advocate.

Benefits of this Program

- Earn a Master’s Degree in 12 months. Begin Summer 2015 and graduate Summer 2016!
- Increase your options and competitive edge in the workforce when you complete the program.
- Receive partial funding during your year of graduate study (upon eligibility).

Courses Include (36 semester hours)
