Department of Educational Psychology
Pathways to Excellence Awards for Incoming Masters Students

The Department of Educational Psychology (EPSY) is pleased to announce the availability of competitive departmental awards ($1,000) to support incoming Masters students who are not being fully funded from the EPSY department of affiliated grants. Awards will be given in equal amounts ($500 per semester) in the first year of enrollment.

Eligibility and Application Instructions:

- Students must be admitted to their first semester in a Masters program
- Awards are given on a competitive basis, based on GRE scores, GPA, and all submitted admission materials.

Name:

Degree/ Concentration:

Semester Admitted:

Describe in one paragraph how this award will maximize your success in your newly admitted program:
