Office of the Dean*

Dear Program Completer or Graduate:

Warmest congratulations on your completion of a certification program or a degree from the College of Education at the University of North Texas. The faculty and I are proud of your fine work and accomplishment. We hope you stay in contact with us and let us know how we can help you in the future.

We need your help with a short survey about your experiences while completing your education with the University of North Texas. The survey should only take a few minutes to complete, and it will be very useful to improve our programs and services to students. Your responses and comments are very important to us.

All information gathered is confidential. Your name nor any identifying data will be associated with your responses. We value your input and thank you for your participation.

Again, thank you for being part of the University of North Texas College of Education community of learners.

Sincerely,

A handwritten signature in cursive script that reads "M. Jean Keller".
