## Important Information About your Degree

- **Double-Dip Course (UNT Core Best Selection):** Courses shown in italics satisfy multiple degree program requirements. Students who do not take the Best Selection courses, specific to their chosen track, will have to take additional courses to meet program requirements. Whether or not the course is taken to fulfill a specific university core category, all courses are required by the program to complete the degree. Electives may be required due to double-dipping.
- "C" or Better: Communication Core courses must be completed with a grade of C or better in order to graduate.
- Courses in **bold** require prerequisites. Prerequisites are indicated in parenthesis, and they are listed in the university catalog with the course description.
- An official degree audit is required for graduation. Students must meet with an academic advisor to request a degree audit.
- Degree requires at least 120 hours, 2.00 UNT GPA and 2.00 overall GPA for graduation.
