Partners in Change

Bridges and barriers to the design and delivery of health messages

A presentation by

Stephanie Cowan

Director
Change for our Children
New Zealand

This presentation will focus on effective ways to translate evidence into protection, using infant sleep safety as an example. It will leave attendees with approaches they can implement immediately in their discussions with families.

Date: Monday, April 29, 10:00-11:30 a.m.

Place: Golden Eagle Suite
